## **INTRODUCTION**

Make India better is an awareness drive designed for the Indian society wherein they shall be encouraged to perform acts of goodness and forbid and shun bad deeds from their life.

We aim for the citizens of India to become better and more responsible human beings so that the country in turn becomes better day by day, citizen by citizen.

If a car or a mobile phone is not working as expected, we always refer to the manual which is provided by the manufacturer of the product, and we will know how the product can be repaired.

Now we human beings too have been manufactured in the wombs of our mothers. And the Manufacturer, our Creator is Allah. He has been sending manuals for human beings since the time immemorial. But the latest edition of the manual was sent 1437 years ago through Prophet Muhammed pbuh. And that manual is The Holy Quran.

Now if a human being is also not functioning and living as expected we will have to refer the manual of human beings i.e. The Holy Quran. After analysing today's scenario; as in what are the areas where human beings are not working as expected or having problems, we must then refer to The Holy Quran to find solutions for the repairing the humanity and Make India Better.

## Below Are The Top 10 Problems In The Human Beings Which Are Seen In Our Society And Need Urgent Repairs

| 10 | Religious and Social Hatred            | 20 |

These are the top 10 problems faced by human beings which are sadly created by themselves. So the solution of the same will be available only in the manual of the human beings, The Holy Quran.

So let us analyse these problems one by one in the light of...

## THE HOLY QURAN

O mankind! There has come to you a good advice from your Lord (i.e. the Quran, ordering all that is good and forbidding all that is evil), and a healing for that (disease of ignorance, doubt, hypocrisy and differences, etc.) in your breasts, - a guidance and a mercy for the believers. (Quran 10:57)

## 1. Intoxication (Alcohol, Tobacco, Drugs)

If there ever was any source to all major problems in our society it is none other than INTOXICATION and ADDICTION of Alcohol or Tobacco or Drugs. Not only has it ruined countless individuals lives but whole families have fallen prey to these Intoxicants. We have to stand up to stop this source of evil.

Alcohol consumption is estimated to cause from 20% to 50% of cirrhosis of the liver, epilepsy, poisonings, road traffic accidents, violence and several types of cancer. Nearly 25% of the road accidents are under the influence of alcohol and it is also a significant risk factor for increased domestic violence. Let us refer to the manual of human beings and find out what is the solution for the above problem.

Allah mentions in The Holy Quran Chapter No: 2 - Verse No: 219.

[They ask you (O Muhammad) concerning "alcoholic drink" and "gambling". Say: "In them is a great damage, and (some) benefit for men, but the sin of them is greater than their benefit."]

Some might argue that alcohol and drugs also have few medicinal benefits but if one measures their benefits against the damage they cause the damage and harm

they do definitely trumps the so called few benefits.

Later in the Quran again Allah also mentions in Chapter No: 5 - Verse No: 90.

"O you who believe! Intoxicants (all kinds of alcoholic drinks), gambling, Al-Ansab , and Al-Azlam (arrows for seeking luck or decision) are an abomination of Shaitan's (Satan) handiwork. So avoid (strictly all) that (abomination) in order that you may be successful."

This is a clear cut forbiddance on all intoxicatants that include alcohol, tobacco and other recreational drugs.

## 2. Rape and Molestations

Our ladies are the respect of our country. If anybody rapes or molests a female he has not only ruined her respect but has also destroyed her life and has given her a mental torture for lifetime. These problems are everywhere in the country even within the families and educational institutions females and even minor girls are exploited.

### **Is India the Rape Capital of the World?**

Rape and violence against women are a massive problem in India. According to the country's National Crime Record Bureau, crimes against women have increased by 7.1 percent since 2010. The number of rapes reported has also risen. Nearly one in three rape victims in India is under the age of 18. One in 10 are under 14. Every 20 minutes in India, a woman is raped.

And yet India only ranks third for the number of rapes reported each year. What country ranks first? The United States. In India, a country of over 1.2 billion people, 24,206 rapes were reported in 2011. The same year in the United States, a nation of 300 million, 83,425 rapes were reported. In the United States, every 6.2 minutes a woman is raped.

Even if sexual assault in India is dramatically underreported, which most likely it is, the statistical difference is still striking—as is our uniquely American

inclination to dismiss such monstrous human rights violations as problems that other countries face. Not only is violence against women a global pandemic but the United States may be leading the pack.

Isolated incident of smearing and shaming the victim? Afraid not. Just weeks after the Steubenville story broke, two high school football players in Torrington, Connecticut were accused of raping a 13-year-old girl. The response? Dozens of people from the town took to social media to berate and blame the 13-year-old

accuser.

Let us refer to the manual of human beings and find out what is the solution for the above problem.

Allah says in the Holy Quran in Chapter No: 24 - Verses No:23-24.

“Say to the believing men that they should lower their gaze and guard their modesty: that will make for greater purity for them: And Allah is well acquainted with all that they do.”

“And say to the believing women that they should lower their gaze and guard their modesty; that they should not display their beauty and ornaments except what (must ordinarily) appear thereof; that they should draw their veils over their bosoms and not display their beauty except to their husbands, their fathers, their husband's fathers, their sons, their husbands' sons, their brothers or their brothers' sons, or their sisters' sons, or their women, or the slaves whom their right hands possess, or male servants free of physical needs, or small children who have no sense of the shame of sex; and that they should not strike their feet in order to draw attention to their hidden ornaments. And O you Believers! turn you all together towards Allah, that ye may attain Bliss.”

If Hijaab were implemented by every male and female will these cases decrease or will it increase. Suppose two

twin sisters who are equally beautiful walk down the street, and if round the corner there is a hooligan, who is waiting to tease a girl. One of the twins is wearing the Hijab and the other is dressed in shorts of a mini skirt. Which girl will that hooligan tease? But naturally the twin wearing a mini skirt.

Our Creator prescribes a prescription that must be followed by both parties male as well as female in order to prevent such vile happenings. Both are urged to observe Hijaab i.e. dress modestly by covering up their Awrah (for the males it includes the entire region between the navel to the knees and for the females it is her entire body barring her face and her hands) and lower their gazes whenever they come across someone from the opposite gender except for the people mentioned in the verse above. This way both parties can be satisfied and have no room for blaming the other such as what is happening in the argument between ignorant misogynists and the overtly feminists.

### 3. Disrespect of Seniors Citizens

In today's society disrespect and negligence is increasing towards the elderly and hence the old age homes are also getting populated day by day. This is a very bad example which we are setting up for the young generations. We have to stop being disrespectful to the senior citizens. Let us refer to the manual of human beings and find out what is the solution for the above problem.

Allah says in the The Holy Quran in Chapter No: 17 Verse No:23-24:

"Your Lord has decreed that you worship none but Him, and that you be kind to parents. Whether one or both of them attain old age in your life, say not to them even "UFF" to them (any word of disrespect), nor repel them, but address them in terms of honour.

And, out of kindness, lower to them the wing of humility, and say: "My Lord! Bestow on them your Mercy even as they cherished me in childhood."

We are ordained to look after our parents when they turn old and speak and deal with them in kindness just as they did years ago when we were little.

The Prophet Muhammad (Peace be upon Him) also said: "He is not one of us who does not show mercy to our young ones and respect our old ones." Narrated by al-Tirmidhi, 1919; classed as Hasan by al-Albaani in Saheeh al-Tirmidhi, 1565

## 4. Dowry

A dowry is a demand of parental property at the marriage of their daughter from the groom or his family. In other words, grooms are by force selling themselves for a price (Dowry) determined by themselves and demand or rather extort their price from the bride's family. Dowry deaths are deaths of young women who are murdered or driven to suicide by continuous harassment and torture by husbands and in-laws in an effort to extort dowry. India reports the highest total number of dowry deaths with 8,391 such deaths reported in 2010 i.e. 1.4 deaths per 100,000 women.

Let us refer to the manual of human beings and find out what is the solution for the above problem.

Allah says in the Holy Qur'an in Chapter No: 4 Verse No: 4  
"And give the women their Mahar (Gift) with a good heart..."

In Islam dowry is not even a concept and it is forbidden for a groom to make demands of his bride's parents. However there is an alternate concept in Islam called the Mahr i.e. a gift that a groom pays to his bride as a show of honor and respect given to her and to show that he has a serious desire to marry her and is not simply entering into the marriage contract without any sense of responsibility and obligation or effort on his part.

## 5. Female Infanticides

Female infanticide is also related to the dowry system in India which is spanning from centuries and it has become embedded within Indian culture. Although the state has taken steps to abolish the dowry system, the practice persists, and for poorer families in

rural regions female infanticide and gender selective abortion is attributed to the fear of being unable to raise a suitable dowry and then being socially ostracized. The United Nations has declared that India is the most deadly country for female children, and that in 2012 female children aged between 1 and 5 were 75 percent more likely to die as opposed to boys. The children's rights group CRY has estimated that of 12 million females born yearly in India 1 million will have died within their first year of life.

Islam opposes of all kinds of infanticide whether it be male or female. Let us refer to the manual of human beings and find out what is the solution for the above problem.

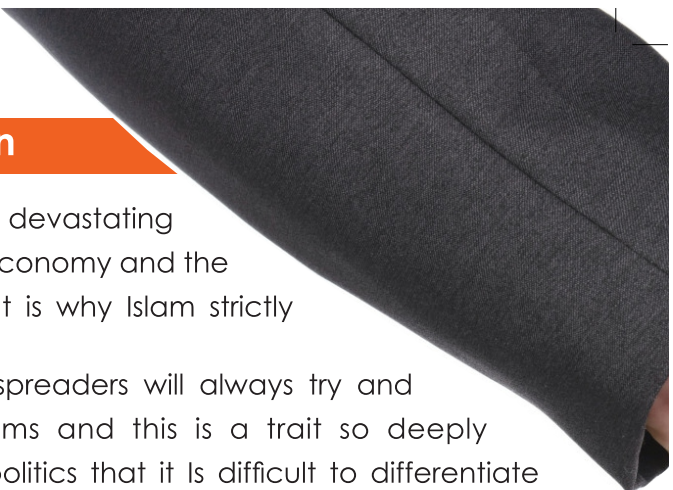

Allah says in the Holy Quran in Chapter No: 17 Verse No: 31

“Kill not your children for fear of want: We shall provide sustenance for them as well as for you. Verily the killing of them is a great sin.”

With regards to female infanticide the Holy Quran states in Chapter No: 81 Verses No: 8- 9

“When the female (infant), buried alive, is questioned – For what crime she was killed...”

**This verse states that on the Day of Judgement the female infants who were killed would be provided justice.**

## 6. Corruption

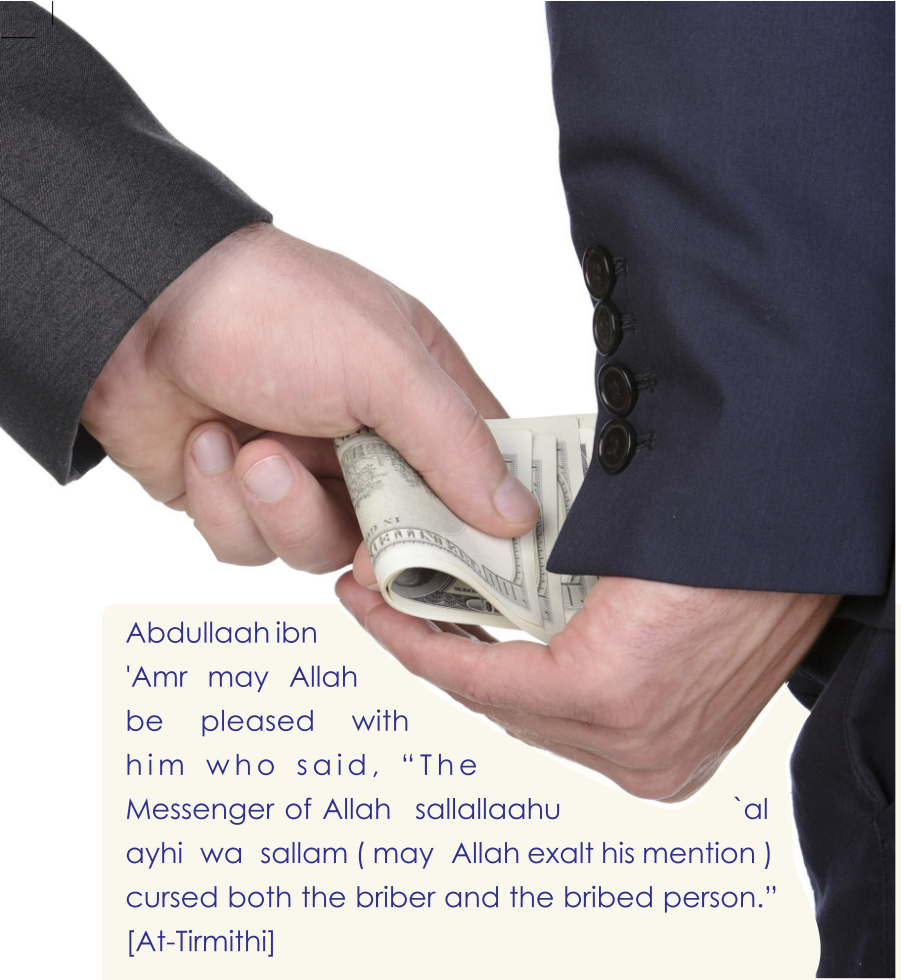

Corruption has a devastating impact on the economy and the society and that is why Islam strictly prohibits bribery.

The corruption spreaders will always try and justify their claims and this is a trait so deeply embedded in politics that it is difficult to differentiate between good and evil these days. Let us refer to the manual of human beings and find out what is the solution for the above problem.

Allah says in the Holy Quran in Chapter No: 2 Verse No: 188

And do not consume one another's wealth unjustly or send it [in bribery] to the rulers in order that [they might aid] you [to] consume a portion of the wealth of the people in sin, while you know [it is unlawful] and in Chapter No: 2 Verse No: 11 Allah mentions "And when it is said to them, "Do not cause corruption on the earth," they say, "We are but reformers!"

The Prophet Muhammad (Peace be upon Him) has given us a few guidelines in order to right a few of the corrupt practices prevalent in society.

Abdullaah ibn  
'Amr may Allah  
be pleased with  
him who said, "The  
Messenger of Allah sallallaahu `al  
ayhi wa sallam ( may Allah exalt his mention )  
cursed both the briber and the bribed person."  
[At-Tirmithi]

also the prophet Muhammad (Peace be upon  
Him) has mentioned  
"If one of you sees something wrong, let him change it  
with his hand; if he cannot, then with his tongue; if he  
cannot, then with his heart and that is the minimum  
required by faith". [Muslim]

## 7. Illiteracy

A person without knowledge is a person without sense of what is good and bad for the society. And that is why people who are illiterate contribute more bad to the society rather good. Illiteracy is also a big reason for major crimes in the country.

India has by far the largest population of illiterate adults at 287 million, amounting to 37 per cent of the global total, a United Nations report said highlighting the huge disparities existing in education levels of the country's rich and poor.

The 2013/14 Education for All Global Monitoring Report said India's literacy rate rose from 48 per cent in 1991 to 63 per cent in 2006, the latest year it has available data, but population growth cancelled the gains so there was no change in the number of illiterate adults.

India has the highest population of illiterate adults at 287 million, the report published by United Nations Educational, Scientific and Cultural Organisation said.

Let us refer to the manual of human beings and find out what is the solution for the above problem. When the Quran began to be revealed, the first word of its first verse was 'Iqra' that is, read.

Allah says in the Holy Quran in Chapter No: 96 Verse No: 1-5 "Read! In the Name of your Lord Who has created (all that exists). He has created man from a clot (a piece of thick coagulated blood). Read! And your Lord is the Most Generous. Who has taught (the writing) by the pen. He has taught man that which he knew not"

This is why Islam attaches great importance to knowledge and education.

Education is thus the starting point of every human activity. Allah created man and provided him with the tools for acquiring knowledge, namely hearing, sight and wisdom.

Allah mentions in the Holy Quran in Chapter No: 16 Verse No: 78 "And Allah has brought you out from the wombs of your mothers while you know nothing. And He gave you hearing, sight, and hearts that you might give thanks (to Allah)"

Because of the importance of knowledge, Allah commanded His Messenger to seek more of it

as Allah mentions in The Holy Quran Chapter No: 20 Verse No: 114 "and say: `My Lord! Increase me in knowledge"

A knowledgeable person is accorded great respect in many prophetic narrations. The Prophet Muhammad (Peace be upon Him) made seeking knowledge an obligation upon every Muslim, and he explained that seeking knowledge is a way leading to Paradise.

Muhammad (Peace be upon Him) said: "Whoever follows a path in the pursuit of knowledge, Allah will make a path to Paradise easy for him." (Al-Bukhari)

The Holy Quran repeatedly asks us to observe the earth and the heavens. This instills in man a desire to learn natural science as well. All the books of Hadeeth have a chapter on knowledge. In Saheeh Al-Bukhari there is a chapter entitled "The virtue of one who acquires learning and imparts that to others."

## 8. Cheating and Stealing.

According to the National Crime Records Bureau 4395 cases of dacoit, 38071 cases of robbery 114646 cases of criminal trespassing and burglary and 440915 cases of

theft were recorded in 2014 in India. Let us refer to the manual of human beings and find out what is the solution for the above problem.

The Holy Quran provides a stringent punishment for those commit theft mentioned in Chapter No: 5 Verse No: 38 "[As for] the thief, the male and the female, amputate their hands in recompense for what they earned [i.e. committed] as a deterrent [punishment] from Allah. And Allah is Exalted in Might and Wise."

The Prophet Muhammad (Peace be upon Him) said: Whoever bears arms against us is not one of us, and whoever cheats us is not one of us." (Sahih Muslim)

According to another report, the Prophet Muhammad (Peace be upon Him) passed by a pile of food in the market. He put his hand inside it and felt dampness,

although the surface was dry. He said: "O owner of the food, what is this?"

The man said, 'It was damaged by rain, O Messenger of Allah. He Muhammad (Peace be upon Him) said, 'Why did you not put the rain-damaged food on top so that people could see it? Whoever cheats us is not one of us.' (Sahih Muslim)

The Prophet Muhammad (Peace be upon Him) said: "The hand (of the thief) should be cut off for (the theft of) a quarter of a Dinar or more." [Al-Bukhari]

## 9. Pollution and Unhygienic Environment

In an article of Hindustan times dated 5th june 2015 it said "Of the world's top 20 polluted cities, 13 are in India. Air pollution slashes life expectancy by 3.2 years for the 660 million Indians who live in cities, including Delhi. The Ganga and Yamuna are ranked among the world's 10 most polluted rivers. An evaluation in February ranked Vapi in Gujarat and Sukinda in Odisha among the 10 most environmentally-degraded zones in the world."

**We appreciate that government of India has started swatch bharat abyaan which will surely improve the conditions.** Let us refer to the manual of human beings and find out what is the solution for the above problem.

Allah mentions in The Holy Quran in Chapter No: 9 Verse No: 108)

Verily, the mosque whose foundation was laid from the first day on piety is more worthy that you stand therein (to pray). In it are men who love to clean and to purify themselves. And Allah loves those who make themselves clean and pure (i.e. who clean their private parts with dust [i.e. to be considered as soap) and water from urine and stools, after answering the call of nature].

As for the cleanliness goes Muslims were the first callers to cleanliness and purification all over the world wherever they travel or dwell. For the previous nations, these values were unknown.

As a matter of fact, whoever traces the history of the nations and religions will become well aware of the fact that most men lived like wild beasts, on islands in the middle of seas, in caves in mountains, and in huts in jungles. Most of them, if not all, male and female were naked or partly naked. But whenever Islam appears in a place or home it teaches people good dress and covering, cleanliness of physique, and sound behavior. In Islam, this is achieved through obligation in some cases and recommendations in others. Thus Islam has transformed people from extreme wildness to the highest civilization.

This characteristic is not restricted to very ancient times

only. Rather, you will not find a place or an era in which prophet Muhammad (Peace be upon Him) trace has disappeared.

By the same token, if in any home where the Prophet Muhammad (Peace be upon Him) guidance is missing, you will find its inhabitants

behave like animals, scratch their bodies in public, treat each other like dumb beasts, refrain from enjoining good and forbidding evil, never abstain from wrongdoing, and stray from the straight path. In our time, examples of these phenomena are numerous. Muslims set wonderful examples of purification and beautification when they apply the Islamic teachings regarding their bodies, homes, roads, and cities, etc. Wretched are some professed Muslims who adopt and

uphold foreign customs and systems while their religion, by Allah, teaches them that which is better, higher and more appropriate.

The Holy Qur'an confirms this fact, in Chapter No: 2 Verse No: 138 saying "(Our religion) takes its hue from Allah and who can give a better hue than Allah "

## 10. Religious and Social Hatred

In recent times religious and social hatred has been growing and has been powered by the actions of political leaders.

Religious intolerance has lead to death and brutal fights and riots in our country. The lack of communal harmony is the reason of decreasing Indian brotherhood. Social hatred Acts such as insulting, backbiting and spying are increasing the hatred among people which is strictly prohibited in

. Let us refer to the manual of human beings and find out what is the solution for the above problem.

Islam

Regarding social hatred Allah says in the Holy Quran in Chapter No 49 Verses No: 11-13.

O you who have believed, let not a people ridicule [another] people; perhaps they may be better than them; nor let women ridicule [other] women; perhaps they may be better than them.

And do not insult one another and do not call each other by [offensive] nicknames. Wretched is the name of disobedience after [one's] faith. And whoever does not repent - then it is those who are the wrongdoers.

O you who have believed, avoid much [negative] assumption. Indeed, some assumption is sin. And do not spy or backbite each other. Would one of you like to eat the flesh of his brother when dead? You would detest it. And fear Allah ; indeed, Allah is Accepting of repentance and Merciful.

O mankind, indeed We have created you from male and female and made you peoples and tribes that you may know one another. Indeed, the most noble of you in the sight of Allah is the most righteous of you. Indeed, Allah is Knowing and Acquainted.

**And regarding Religious hatred Allah says in Chapter No: 6 Verse No: 108**

**“And insult not those whom they (disbelievers) worship besides Allah, lest they insult Allah wrongfully without knowledge. Thus We have made fair-seeming to each people its own doings; then to their Lord is their return and He shall then inform them of all that they used to do.”**

It is thus forbidden to make hate fuelled comments about any religion. we should hate and stand against all the social evils of the society but should not stand against religion.

**Stand  
Against  
Terrorism**

**NOT Against  
RELIGION**

# Some of the teachings of Islam

**Spending generously**

Never will you attain the good [reward] until you spend [in the way of Allah] from that which you love. And whatever you spend - indeed, Allah is knowing of it. (Quran 3:92)

**Protect yourself from the HELLFIRE even by giving a piece of a date as charity**

(BUKHARI & MUSLIM)

Saleem bin Umarah came to the Prophet ﷺ, and he gave him a head of sheep that was grating between two mountains. He said only a prophet could give this and became Muslim. He returned to his people and said: "O my people accept Islam! Muhammad ﷺ gives out generously like one who does not fear poverty." (Muslim)

**Refuge of orphans**

And when [father] relatives and orphans and the needy are present at the [time of] division, then provide for them [something] out of the estate and speak to them words of appropriate kindness. (Quran 4:8)

**SO AS FOR THE orphan DO NOT OPPRESS [HIM]**

(QURAN 9:18)

Prophet Muhammad ﷺ said: "I and the custodian of an orphan are like this together in Paradise", and he joined his forefinger and middle finger together. (Bukhari)

**Truthfulness**

Allah's ﷻ is reported: The Prophet ﷺ said, "Truthfulness leads to righteousness and righteousness leads to Paradise. A man will keep speaking the truth and striving to speak the truth until he will be accepted with Allah as a voluntary sacrifice of the truth, being taken in isolation and without him. He is a man will keep calling for and striving to do, and he will be accepted with Allah as a sacrifice." (Bukhari)

**Wisdom is found only in TRUTH**

And do not mix the Truth with falsehood or conceal the Truth while you know (QURAN 2:42)

**Even his enemies attested to his truthfulness**

Abu Jahl once said: "O Muhammad ﷺ, I do not say that you are a LIAR! I only deny what you brought and what you call people to. ALLAH, THE EXALTED" (BUKHARI & MUSLIM)

**Sharing Work**

The Prophet ﷺ was not a king who commanded his followers to carry out his orders. Rather, he always carried out his own affairs and helped others in collective duties.

**FAITHFUL BELIEVERS ARE TO EACH OTHER AS THE BRICKS OF WALL SUPPORTING EACH OTHER**

(BUKHARI)

A'ishah (r) was once asked about how the Prophet ﷺ behaved with his family. She said: "He helped and assisted his family members with their chores, but when the call to prayer was heard, he would [stop everything and] leave to attend the prayers." (BUKHARI)

**Fearing Allah**

O Prophet! Fear Allah and do not obey the disobedient and the hypocrites. Indeed, Allah is ever knowing and wise. And follow that which is revealed to you from your Lord. Indeed, Allah is ever, with what you do, acquainted. (Quran 33:33)

**IF YOU FEAR ALLAH YOU MUST AVOID WHATEVER ALLAH HAS FORBIDDEN**

**Living as Quran**

The life of the Prophet ﷺ is a Lesson for All of Humanity

**JUST FOLLOW PROPHET MUHAMMAD**

The Prophet's ﷺ wife Aisha (r) was asked about his manners, she said: "His manners were the Qur'an." (Bukhari)

It is not for a believing man or a believing woman, when Allah and the Messenger have decided a matter, that they should [themselves] have any choice about their affair. And whoever disobeys Allah and the Messenger has certainly strayed into clear error. (Quran 33:36)

# Some of the teachings of Islam

**No Persuasion**

Prophet Muhammad ﷺ said: Do not exaggerate in praising me as the Christians praised the son of Mary when they took him as God beside Allah (ﷻ), for I am only a slave, so call me the slave of Allah (ﷻ) and His Messenger.

(Bukhari)

## Worship the Creator

### Don't Worship the Creations

Two arrogant girls, said while playing:  
"Among us there is a Prophet who knows what will happen tomorrow..."  
The Prophet ﷺ said: "What are you saying? Do not say it! No one knows what will happen tomorrow except Allah, the Most Mighty and the Most Majestic."

The Messiah, son of Mary, was not but a messenger:  
[other] messengers have passed on before him, and his mother was a supporter of truth.  
They both used to eat food. Look how We make clear to them the signs, that look how they are deluded.

(Quran 3:17)

**Politeness & Courteousness**

Abdullah bin Amr says: "The Messenger of Allah ﷺ was neither ill-mannered nor rude. He used to say that the better people among you are those who are best in their moral character."

(Bukhari)

## Be Polite

### Do Not Insult While Correcting Someone For His Mistakes

Amr says: "I served the holy Prophet ﷺ for ten years. He never said Uff (expressing dissatisfaction), nor did he ever ask me why I did this or did not do that."

(Muslim)

**The Commander**

## Ethics of War in Islam

During the time of Prophet Muhammad ﷺ

War is a last resort in Islam for the physical defence of the community and it is not a means to force people to accept Islam.

Peace among Muslims is recommended in highly polluted over conflict.

Whoever kills a soul innocent for a sin or for corruption [done] in the land - it is as if he had slain mankind entirely. And likewise vice versa. - it is as if he had saved mankind entirely. And our messengers had certainly come to them with clear proofs. They refused them, so those [people] after that, throughout the lands, were transgressors.

(Quran 5:32)

**Simple Lifestyle**

Amr bin Al-Harith ﷺ said that when the Prophet ﷺ died, he left nothing money nor anything else except his white riding mule, his arms, and a piece of land which he left to charity.

The Prophet ﷺ said:  
**S**implicity in dress is a part of **SEEMAAN**.

(Imam Abu Ja'far)

Once his Khutbah ﷺ said, "I entered the Messenger's house and I found him sitting on a mat. He had a hairless palm-wood staff (dusta) in his hand, and a piece of date for his feet, and there was some clothing lying on the wall. His wife had made this to him that he lay on it. I saw a way when he saw this, and the Messenger ﷺ asked him: 'Why do you wear it?' (I saw ﷺ said: 'O Prophet of Allah, Muhammad and I saw upon the back of the wall, and run as nothing in poverty!') He said: 'We've been pleased that they enjoy this world, and we will enjoy the Hereafter.' (Muslim)

The Prophet Muhammad ﷺ said in his last sermon

## Khutba Hajj-tul-Wida

O People

Listen to what I am saying to you every cordally with what their words in their hearts could not be present here today.

### WORSHIP ONLY ALLAH

Perform your 5 daily prayers

Fast during the month of Ramadan

Purify your wealth through Zakat

Perform Hajj if you are able to

Do not drink wine, do not gamble, do not marry from the people of different religions, do not marry from the people of different religions

Except by purely and good action.

O ALLAH, I HAVE CONVEYED YOUR MESSAGE TO YOUR PEOPLE."

Prophet Muhammad ﷺ leave behind me two things, the Quran and my example (the Sunnah) (Habitually) and if you follow these you will never go astray.

(Muslim Imam Malik)

O my Lord, here I am in Your service, here I am, there is no partner with You, here I am, I have conveyed the message and the good provisions are Yours, and for the disbelievers and the wrongdoers.

**Forgiveness**

## The Prophet ﷺ was the most forgiving person

When his victorious army marched in the city of Makkah there were instructions not to plunder or kill anyone.

Those pardoned included the ones who had killed the beloved ones of the Prophet.

### Before going to sleep every night forgive everyone and sleep with a clean heart

O Rich, You are Most Forgiving One. You love to forgive, so forgive me.

Prophet Muhammad ﷺ was ever ready to forgive his enemies.

When he went to Mecca to preach the message of Allah, his people persecuted him, abused him and hurt him with stones. He left the city humiliated and wounded. When he took shelter under a tree, the angel of Allah visited him and told him that Allah was him to forgive the people of Mecca because of their sin of mistreating their Prophet. He prayed Allah to save the people of Mecca because what they did was out of their ignorance.

(Muslim Imam Muslim)
